The amendment received 13 June 2006 has been made of record. Claims 1-47 are pending.

The rejection of claim 36 under 35 USC 112 is withdrawn in view of applicants' arguments.

Claims 1-4, 7-15, 18-21, 23-35, 37, 38, and 40-47 are rejected under 35 U.S.C. 102(b) as being anticipated by Norman et al.

This rejection is maintained for reasons of record. Applicants' arguments in traversal appear to focus on the allegation that there is no example given by the reference embodying all of applicants' claim limitations. An example is not necessary for an anticipation rejection.

Claims 16, 17, 22, 36 and 39 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of
